OCPS Official Online Servicer Provider, FuelMySchool, Presents First Annual 2011 Tennis Classic at Isleworth

ORLANDO, Friday, May 6, 2011 — FuelMySchool kicked off their first Annual Tennis Classic at Isleworth Tennis Center on Thursday, April 28th 2011. Tennis participants, spectators, and representatives from Orange County Public Schools and the district were all in attendance. The purpose of the event was to spread awareness about the FuelMySchool programs and work to engage more members of the community in assisting our schools in need.

Fourteen tennis teams represented randomly selected Orange County Schools and played on the school's behalf in an effort to win \$500 towards school needs. FuelMySchool is pleased to announce, the team representing Tildenville Elementary won the tennis event. During the event, FuelMySchool provided an onsite School Wish Station in which participants could learn about the MySchoolWish program, grant schools wishes and find out how they can continue to support our Orange County schools with the FuelMySchool online programs.

FuelMySchool is a Central Florida based organization where the community and beyond come together virtually to help fulfill the needs of students and schools. FuelMySchool offers free online support programs to registered schools including: MySchoolWish, Shop4Schools, Cars4Schools and Cash4Schools. Each registered school is provided with a custom micro-site where school supporters can learn about the school, view and fulfill school wishes and participate in programs that earn cash rewards for their school. FuelMySchool currently has 194 registered schools and has directed over \$50,000 of resources and funds into participating schools.

“This was our organizations first charity event and we couldn't be more pleased with the turnout of school supporters and representatives,” said Lisa Hilgenfeldt, Co-Founder. “At this event we were able to create awareness about the schools within our community and showcase how together we can make a positive impact in our students lives by supporting them through simple and easy to use programs all with just a few clicks of a button. We had a tremendous amount of positive feedback from both schools and participants and we are looking forward to seeing everyone out there next year.”

“Tildenville Tigers would like to extend a warm thank you to, FuelMySchool for their remarkable tennis event that awarded our school with \$500.00, said Lori Hager, PIE Coordinator Tildenville Elementary. “These funds will be used to purchase supplies for students at each grade level. Thank you to FuelMySchool and Tildenville's outstanding tennis team. Our Tigers appreciate all that you do!”

FuelMySchool.com is managed by MyGoLocker Inc. a non-profit organization founded in 2009. FuelMySchool is committed to our community and to providing an easy to use online tool that benefits our schools by generating the resources and funds they need to keep school programs strong and thriving.
